

## Mission

PPHF Global is on a mission to drive transformative impact by providing innovative and sustainable development solutions for wellbeing of people and planet.

## Who We Are

PPHF Global is a **social enterprise** and the **for-profit and supporting arm** of the not-for-profit organization **People to People Health Foundation (PPHF)**.

We drive **integrated development** for the wellbeing of people through strategic linkages across key sectors.

## Key Sectors We Work In

PPHF Global works across the following sectors to impact wellbeing of people and the planet:

- » **Global Health**
- » **Food Systems and Agriculture**
- » **Economic Growth**
- » **Education and Empowerment**
- » **Climate Resilience**

## Our Values

- » **Transformational Impact:** We deliver result-oriented and impactful services.
- » **Responsibility:** We are accountable to our partners and the communities where we work.
- » **Excellence and Innovation:** We strive for excellence through continuous learning and take initiative to introduce new ideas for action.
- » **Collaboration:** We work collaboratively with stakeholders and deliver quality results.

## What We Offer

- » Creation, implementation and monitoring of solutions to solve development challenges
- » Development and transformation of new ideas and tools to deliver smart and sustainable solutions
- » Technical assistance and consulting services
- » Marketing and sales

## Our Approach

We design and develop solutions that make people's lives better!

1. **Innovation**
2. **Incubation**
3. **Influence**
4. **Implementation**
5. **Impact**
