**Project PUNARAYA –  
Strengthening Primary  
Health Care Services  
through Health and  
Wellness Centres (HWCs)**

## About the Project

PUNARAYA is a community health initiative supported by Sun Pharma, aimed at strengthening healthcare delivery at the hospital level and ensuring better access to quality services for the community.

### Expected Outcomes

- Improved service delivery at the hospital.
- Increased patient satisfaction and trust.
- Enhanced community awareness on health services.
- Significant rise in patient footfall at the hospital

### Target Beneficiaries

Communities in the catchment area with special focus on women, children and adolescents

**Duration : Aug 2025 to March 2026**

### Vision

Through PUNARAYA, we aim to create a sustainable healthcare model where improved infrastructure and active community engagement lead to better health outcomes and accessible quality care for all.
